Dr. Savleen Kaur is an Associate Professor in the Department of Ophthalmology at PGIMER, Chandigarh, one of the premier academic medical institutes in India, where she is actively involved in patient care, resident training, and research. She has authored over 120 indexed publications and delivered more than 50 invited lectures at national and international scientific meetings. She serves on the WSPOS Connectivity Bureau, the AAPOS Genetic Eye Disorder Committee, and is a member of the Ophthalmic Genetics Study Club (OGSC). Her academic excellence has been recognized with the Dr. Nadezhda Pilman Award from the Ukrainian Association of Pediatric Ophthalmologists (2024), Third Prize in the Free Paper Session at the 5th World Congress of Pediatric Ophthalmology and Strabismus (2025), Best Paper Award at the AAPOS Annual Meeting (New York, 2023), Best Paper Award (2020) and Best Publication Award (2019) from the Strabismus and Pediatric Ophthalmology Society of India.
