

Heba Metwally MD , FRCS
Memorial Institute Kids Eye Center (MIKE), Giza, Egypt
rozalina-l@fk.unair.ac.id
ORCID: # 000-0003-3808
Research Topics: Strabismus Pediatric Cataract Myopia Amblyopia

Dr. Metwally is an Associate Professor of Ophthalmology and Head of the Memorial Institute Kids Eye Center (MIKE) in Egypt. A graduate of Cairo University, she holds the fellowship of the Royal College of Physicians and Surgeons of Glasgow and specializes in pediatric and adult eye care, with particular emphasis on congenital cataracts and complex strabismus management. Dr. Metwally provides surgical training in Egypt and its broader regions. She serves as a Board member of the Memorial Institute Research Center, The Middle East Academy Of Ophthalmology, The Egyptian Society Of Strabismus and is an Executive Bureau Member of WPSOS. She is an active member of both the American and European Associations for Pediatric Ophthalmology and Strabismus. With over two decades of clinical and surgical experience, she has conducted numerous live surgical sessions, lectured at international ophthalmology conferences, serves as a journal reviewer and editor and has multiple publications.
