Research Topics: Strabismus, Pediatric Ophthalmology, Amblyopia, Oculoplastic and Eyelid Surgery

Dr. Júlia Rossetto is an ophthalmologist based in Rio de Janeiro, Brazil, specializing in strabismus, pediatric ophthalmology, and oculoplastic and eyelid surgery. She completed a fellowship in Strabismus and Pediatric Ophthalmology and Oculoplastics at UNIFESP, and a Research Fellowship at the Bascom Palmer Eye Institute (USA). She holds a PhD in Ophthalmology and Visual Sciences from UNIFESP, where she is currently completing postdoctoral research. She served as President of the Brazilian Society of Pediatric Ophthalmology (SBOP) from 2023 to 2025 and coordinates its Scientific Commission, and she is a member of the WSPOS International Bureau. She teaches in the postgraduate program at IPPMG/UFRJ and practices at Clínica de Olhos Roisman. Her clinical and academic work centers on strabismus surgery, as well as pediatric eye disease and oculoplastic surgery. She was awarded the Prêmio Antônio Fernandes Figueira for her contributions to the field.
