Dr. Rohit Saxena is a Professor of Ophthalmology at the Dr. Rajendra Prasad Centre for Ophthalmic Sciences, AIIMS, New Delhi, specializing in Pediatric Ophthalmology, Strabismus, and Neuro-Ophthalmology. An alumnus of AIIMS with MD and PhD degrees, he was awarded FRCOphth by election in 2025 and is listed among Stanford's Top 2% Scientists globally. With 25 years of surgical, academic and research experience, Dr. Saxena has performed over 9,000 strabismus surgeries, supervised 100+ theses, and authored nearly 300 indexed publications (h-index: 53; ~11,500 citations) along with five books, including *Video Atlas of Strabismus Surgery*. He holds two patents and serves as Principal Investigator on many national/international funded projects. Founder Secretary of the Indian Neuro-Ophthalmology Society and Member Secretary of the AIIMS Institute Ethics Committee, Dr. Saxena also serves on editorial board of many international journals and advises key global bodies in Pediatric Ophthalmology and Neuro Ophthalmology.
